Attachments: Ord 354- Wood Stove Ordinance Amendment 2019 and Open Burn Ban Draft revisions.doc

Thanks Kasia. Let me check with colleagues. I believe we also would like to see 15.10.070.C either deleted or revised. It appears to be a sunset clause based on a new submittal, but that language could be problematic under some scenarios.

Have a great weekend.

Subject: Portola Revised Ordinance

John,

Could you review the attached revised ordinance to ensure it meets contingency requirements and get back to me COB Monday with comments?

Thanks, Kasia
